The Hospital Assistant of Anekal wrote to the Amildar of that place to intimate to him the admission of any new prisoner ~~or prisoners~~ into the Taluk Lock-up so that he might examine him as to the state of his health. In reply he was referred to Rule 29 of the Lock-up Rules, which prescribes that every Medical officer should visit the Lock-up at least once a week. The Hospital Asstt in his letter to the Senior Surgeon, reports that in accordance with the Rules he has fixed

General and Revenue Departments, Bangalore.

Sir,

I have the honor to forward copy of letter No.163 dated 22nd May 1904, from the 1st class Hospital Assistant, Anekal, received for my disposal, with memo No.2142 dated 27th Idem from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, in the matter of the Hospital Assistant visiting the Lock-up. It will be observed from the Hospital Assistant's letter, that he desired the Amildar and Lock-up Officer of Anekal to intimate to him whenever new prisoners are received into the Lock-up, so that he might visit it to see to the state of health of prisoners therein confined. The Amildar has evidently referred the Hospital Assistant to rule 29 of the Rules applicable to convicted and under-trial prisoners of the Lock-ups.

2. Both in the interests of the inmates of the Lock-up and in the due performance of duties, I agree with the Hospital Assistant in his suggestion above referred to. I recommend therefore that a para as per enclosed slip may be added to article 29 of the Lock-up Rules as an addition to answer the purpose.

3. The Superintendent Government Printing may be directed to print 500 spare copies of the addendum in question and supply the same to my office for distribution among the Superin-

Enclosure No. nil

Sir,

I humbly beg to report that I wrote a Docket No.180 dated 13-5-04 to the Amildar, requesting him to intimate to me on the admission of the prisoner into the Taluk Lock-up, so that I may examine and see his state of health &ca., on the day, that he is admitted into the Lock-up or the next day. In reply, the Amildar's Canarese Jail No.470 dated 18th May 1904, says, that I go by the Rules in the Jail Manual para No. 29.

In this connection I beg to represent your honor, that in accordance with the Jail Manual and Senior Surgeon and Sanitary Commissioner's Circular No.367 dated 1-8-1893, I do visit the Lock-up once a week. I have fixed upon every Sunday for my visit to the Lock-up. A prisoner might be admitted on Monday or Tuesday after my visit and I would not know anything about the prisoner's health &ca., till the following Sunday, unless he be ill seriously and I am told of it. In order to simplify matters and for the benefit of the prisoner I made the above request to the Amildar, for which I got his reply as above. In my humble opinion, my request to the Amildar would be to the advantage and benefit of the prisoner if granted.

I beg &ca,
